# BEST IN THE WEST DISPLAY CHALLENGE

The City of Santa Clarita will flash back to the Wild West for the month of April and we want you to get into the competitive spirit! The brand-new **Best in the West Display Challenge** is riding into town and is a friendly competition for businesses and organizations to **decorate their store front** in the spirit of the wild, wild west.

Groups interested in participating must email [cowboy@santa-clarita.com](mailto:cowboy@santa-clarita.com) to register. From there, you are encouraged to decorate your store front, display window and/or shop. Judges will visit each participating location the week of April 8 and one organization will be awarded the Best in the West Trophy onstage at the SENSES Cowboy Roundup, the official after-party of the Santa Clarita Cowboy Festival, on Thursday, April 18!
